

**Call for Doctoral positions, ICT International Doctoral School
"Information and Communication Technologies" - 25th Cycle
Electronics Area**

THE RECTOR

Given Law no. 210 of July 3, 1998, and in particular, art. 4, which assigns the organization of doctoral studies to universities in accordance with the general criteria stipulated by ministerial regulations;
Given Ministerial Decree no. 224 of April 30, 1999, regarding the general criteria to be followed by individual universities in the organization of doctoral studies;
Given the Decree by the Prime Minister of April 9, 2001, and subsequent amendments, on the general criteria for uniform treatment regarding the right to higher education;
Given the Statute of the University of Trento issued with Rector's Decree no. 395 of July 14, 2008;
Given the University Regulations for Doctoral Schools, issued with Rector's Decree no. 997 of December 16, 2003 and subsequently modified with Rector's Decree no. 359 on April 19, 2006;
Given the proposals made by the Department of Computer Science and Telecommunications;
Given the report of the internal Evaluation Committee of the 16th of January 2007 concerning the requisites of appropriateness proposed by the Doctoral Schools;
Given the decision by the Academic Senate and the Commission for Scientific Research, on the 4th of March 2009.

DECREES

Art. 1 – INSTITUTION

The University of Trento announces the institution of the 25th cycle of the International Doctoral School in Information and Communication Technology, for the academic year 2009/10

Duration: three years

Discipline:

INF/01 Computer Science
ING-INF/01 Electronics
ING-INF/02 Electromagnetic Fields
ING-INF/03 Telecommunication
ING-INF/04 Automated Reasoning
ING-INF/05 Information Processing and Computer Engineering
ING-INF/06 Bioelectronics and Bioinformatics
ING-INF/07 Electrical and Electronic Measurements

Head of the School: prof. Fabio Casati – E-mail: infoICT@ict.unitn.it

Official Language: English

It is announced the selection for **8 places of which 7 are covered with a study grant.**

Grants are financed as follows:

2 study grants	University of Trento;
1 study grant	Department of Information Engineering and Computer Science, related to the project "Design and implementation of a hardware-software platform for ambient assisted living";

1 study grant	Fondazione Bruno Kessler - IRST, related to the project "Development of a MEMS technology for microwave and millimeter wave filters based on multiple stacked membranes";
1 study grant	Fondazione Bruno Kessler - IRST, related to the project "Development and test of large area arrays of Silicon Photomultipliers";
1 study grant	Fondazione Bruno Kessler - IRST, related to the project "Development of laser photo-acoustic technologies for combustion processes monitoring and optimization";
1 study grant	Far System S.p.A., related to the project "Development of security systems for transportation";

For further details regarding the abovementioned topics see the web page http://ict.unitn.it/edu/ict/project_specific_grants_2009.xml

The number of grant-assisted places may be increased by funds from other universities, public research bodies or qualified private enterprises made available following the publication of the present call and prior to the Call's selection. An eventual increase in the number of grants may determine an increase in the number of places of the call. Any increase in the total number of available places will be posted on the website: <http://portale.unitn.it/en/ec/phd/ict.htm>

Art. 2 – ADMISSION REQUIREMENTS

Applications for the admission to the Doctoral School are accepted from candidates, regardless of gender, age, religion or nationality, who have (or will have within the 31st of October 2009) an Italian "laurea specialistica" ("magistrale") according to Ministerial Decree no. 509 of 3.11.1999 and following amendments, a university degree of the previous regulations in force, or equivalent degree qualification obtained abroad.

Applicants who have a foreign qualification that has not been officially recognised as equivalent to an Italian degree must submit a request for equivalence in their application. In this case, it is necessary to attach the following documents:

- degree certificate (EU citizens might present a self-declaration of the possession of a degree, according to Presidential Decree no. 445 of 28.12.2000)
- translation into English of the degree certificate with exams and grades obtained and furthermore signed by the applicant to enable the Doctoral School Committee to declare its equivalence, for the sole purpose of being admitted to the selection of the present Call.

Applications are also accepted from students who expect to complete their degree **by the 31st of October 2009**. They need to present, together with their application, a statement by their thesis supervisor declaring that the student will complete his/her degree by 31.10.2009. In such cases, admission will be "conditional" and applicants must be able to present the relevant degree certificate (according to Presidential Decree no. 445 of 28.12.2000, EU citizens can present a self-declaration that the degree has been conferred) **by the 10th of November 2009**.

Admitted non-E.U. applicants holding a non-Italian qualification and admitted E.U. applicants holding a non-E.U. qualification must also present their degree certificate along with exams taken and grades, translated and authenticated by an Italian consulate, embassy or diplomatic representative in the country where the degree was issued, and the respective declaration of validity ("Dichiarazione di Valore"), not later than the **10th of November 2009**

Art. 3 - DOCTORAL PROGRAMME

The Doctoral School relies on the multidisciplinary expertise of the teaching staff and the availability of a range of scientific laboratories at the University, in Research Institutes and in top level partner societies.

The Doctoral School offers doctoral students the chance to acquire advanced skills in specific research fields, as listed in art. 1 and collateral sectors, therefore favouring an interdisciplinary approach on innovative fields in different scientific areas.

The programme includes the following research areas:

- Nano- and Micro- Systems
- Embedded Electronics and Computing Systems
- Remote Sensing and Systems for Environmental Monitoring
- Networking

Regarding the Manifesto, study plan, admission to second and third year and award of the title, all information can be found in the Executive Regulations on-line at http://ict.unitn.it/documents/norme_attuative.pdf

Art. 4 – APPLICATION

The Application process includes the following documents:

- **“Admission Call” form;**
- **Attachments.**

“Admission Call” form

The **“Admission Call”** form (see **“Form A – I”**) must be, first of all, filled in and confirmed **on-line** at the website <http://disi.unitn.it/edu/appform/login.xml>

When the on-line application is completed, the system sends automatically, to the e-mail indicated by the candidate, a .PDF file relative to the ‘Admission Call’ form. This file needs to be, **printed, signed and delivered** to the University of Trento, **together with Attachment 1, by the 30th of June 2009.**

The delivery of the hard copy of the **“Admission Call” form** and of **Attachment 1** is compulsory and it can be made in one of the following ways:

- **by hand** to: University of Trento - Department of Information Engineering and Computer Science, Via Sommarive, 14 – 38123 POVO (Trento) – ITALY, from Monday to Friday, 9.00 to 12.00;
- **by post** to the following address: To the Rector of the University of Trento - Department of Information Engineering and Computer Science, Via Sommarive, 14 – 38123 POVO (Trento) (specifying on the envelope: Name and Surname, personal ID number given during the on-line registration “Call for Doctoral Position, ICT International Doctoral School, 25th cycle”);
- **by fax** to the number: + 39 0461 883964 (specifying Name and Surname, personal ID number given during the on-line registration “Call for Doctoral Position, ICT International Doctoral School, 25th cycle”).

Attachments

All attachments must be uploaded within the **30th of June 2009** on the page <http://disi.unitn.it/edu/appform/login.xml> using your access credentials received after completing the on-line enrolment.

The documents in any language other than ENGLISH or ITALIAN will not be considered by the Commission.

Attachment 1. Photocopy of the applicant’s identity card (only Italian citizens) or passport.

Attachment 2. Academic certificates (degree, master, Phd):

- For candidates who have obtained an Italian qualification: must have a “Laurea specialistica” (“magistrale”) or a university degree of the previous regulations in force.

- For candidates who have a foreign qualification that has not been officially recognised as equivalent to “Laurea specialistica” (“magistrale”) or a university degree of the previous regulations in force: translation into English of the academic certificate, undersigned by the candidate, on his own responsibility to enable the Doctoral School Committee to declare its equivalence, for the only purpose of being admitted to the present Call.

The EU citizens can present a Self-declaration, stating they have obtained the degree, according to Presidential Decree no. 445 of 28.12.2000.

Applications are also accepted from students, who expect to complete their degree **by the 31st of October 2009**. These candidates, in order to be admitted to the Call, have to present:

- University enrolment certificate with exams and grades obtained.
- Official letter by their supervisor stating the date for the candidate’s thesis defence.

Attachment 3. A short summary of the thesis in English and in .pdf format (maximum 2000 characters) structured as follows: motivations of the thesis, methods of the investigations, final results.

Attachment 4. Curriculum vitae, and a list of publications if any. Please do not send the actual publications, only the list will be considered by the commission.

Attachment 5. Two letters of recommendation written by two experts on the Doctorate’s research fields¹.

¹ Failure to provide letters of recommendation does not result in the exclusion from the selection procedure.

When the candidate registers on-line must indicate the referees' names and official e-mail addresses.

The candidate must ask to each of the referees to send their references in one of the following ways:

- by completing on-line the page <http://disi.unitn.it/edu/appform/login.xml> using the candidate's ID number and referee's ID number.

- via e-mail to infolCT@ict.unitn.it (specifying in the subject field: 'Reference Letter', candidate's ID number and referee's ID number and 'Call for ICT Doctoral School, 25th cycle')

- via post to the following address: to the Rector of the University of Trento, Department of Information Engineering and Computer Science, Via Sommarive 14. 38100 POVO (Trento). ITALY (specifying on the envelope: 'Reference Letter', candidate's ID number and referee's ID number and 'Call for ICT Doctoral School, 25th cycle')

In this case, the referees must also indicate their contacts (academic/business telephone number) for a possible verification by the School.

The reference must indicate why the referee is in the position to evaluate the candidate (for instance, how long they have been working with one another).

It will be in any case, the candidates' responsibility to make sure that both references are written and arrive at their destination.

Attachment 6. Short statement (maximum 5000 characters) in English explaining the reasons for the applicant's interest in attending the Doctoral School and outlining specific research interests (Statement of Research Interest). This needs to be included in the page "Statement of Purpose" in the on-line enrolment form available on the website <http://disi.unitn.it/edu/appform/login.xml> using the access codes given at the end of the registration.

Attachment 7. Any certificates attesting knowledge of the English language (TOEFL, Proficiency Certificate or other).

Attachment 8. Optionally, the pass certification of the GRE test (Graduate Record Examination).

Attachment 9. Any other document or qualification demonstrating the applicant's research skills.

Attachment 10. A single document containing a short project (max. 1 page, in English) for each of the specific topics for which the applicant has stated to apply for in the application form.

It won't be accepted to this call, all those applicants who fail to deliver by the **30th of June 2009**, in one of the modalities above detailed, the 'Admission Call' Form completed and signed and the **attachments 1,2,3,4 and 6**.

The University of Trento has the right to verify the delivered documents following articles 71 and next of the Presidential Decree no. 445 of the 28.12.2000. The School has the right of excluding from this call, for justified reasons, candidates who have failed to present the requisites necessary for this call.

The University of Trento does not accept responsibility for missing out communications due to inexact address details from the candidate, as well as possible postal, telegraphic or telematic problems not to be blamed on the Administration.

Art. 5 – SELECTION

Selection is necessary in order to assess the candidate's knowledge and aptitude in research in the scientific areas referred to in art. 3.

The selection is made by the Admission Committee, based on evaluation of the applicant's qualifications according to art. 4.

Applicants obtaining a minimum score of 60/100 will be short-listed.

For the evaluation of candidates intending to apply for one or more grants related to a specific topic, it will be taken into evaluation the submitted short project (*Attachment 10*).

Art. 6 – ADMISSION COMMITTEE

The Admission Committee is nominated by the Rector in consultation with the Doctoral School Committee. It consists of three members chosen among professors and researchers including foreign figures who are experts in the scientific areas of the Doctorate. The Committee may also include a maximum of two experts from national and international research institutes, either public or private ones.

The Committee evaluates qualifications and assigns scores. On the basis of points given, the Committee compiles a list of applicants in order of merit. The short-list will be displayed on the website:

<http://portale.unitn.it/en/ec/phd/ict.htm>

Notification is considered as delivered through the announcement of the list.

The successful applicants will not receive personal communications of their results.

Art. 7 - ADMISSION TO THE DOCTORAL SCHOOL

The Doctoral School admission is based according to a short-list created by the Admission Committee to cover all places available published in this Call.

If a successful applicant withdraws before the beginning of the course (**1st of November 2009**), **the next applicant** on the short-list will be offered the place.

If a successful applicant withdraws or is excluded **after the beginning of the courses and during the first term of the first year**, the Doctoral School Committee may decide to fill the vacancy with the next candidate on the list.

According to art. 19, paragraph 3 of the University Regulations for Doctoral Schools and to what has previously been deliberated by the Doctoral School Committee, the Admission Committee may admit to the School up to **20%** more of the total assigned places, candidates who are eligible in the general classification list, if they belong to the following categories:

- applicants from non-E.U. countries who have been awarded any kind of grant;
- applicants from a country with a specific intergovernmental agreement with Italy, on the basis of a bilateral agreement between the University of Trento and the foreign university (with no obligatory financial burden for the University of Trento);
- candidates who have been awarded a research grant under Italian Law 449/97, art. 51.

Art. 8 – HOW TO ENROL

Short-listed applicants must submit their application for enrolment to the Doctoral School:

“Università degli Studi di Trento– Direzione Didattica e Servizi agli Studenti – Ufficio Dottorati ed Esami di Stato, Via Inama 5 – 38100 Trento – ITALY” within 30 days following publication of the short-list on the website: <http://portale.unitn.it/en/ec/phd/ict.htm>

Application must contain, where applicable, receipt of payment of TDS (“tassa per il diritto allo studio universitario”) for the right to university study.

In their applications (forms are available at the Central Office of Doctoral Studies or can be downloaded from the website: <http://portale.unitn.it/en/ec/phd/ict.htm>) successful candidates should declare:

- ask / not ask to be awarded a grant (successful applicants who are not eligible for a grant must also fill in this option in case an applicant eligible for a grant gives up his/her place);
- declare that they already receive / do not receive a grant by the Italian Ministry of Foreign Affairs or by other Italian or foreign institution;
- declare that they have / have not already been awarded a grant for an Italian Doctorate course (even for one year only);
- declare that they are not already enrolled and undertake not to enrol in any other courses for a diploma, degree, an Italian “Scuola di Specializzazione”, and other doctoral schools/courses and masters of 1st and 2nd level, for the duration of this Doctoral Programme. If they are, they will stop attending such a school before the start of the course;
- declare they are / are not an employee of the Public Administration or another Italian public body;
- declare to request the Doctoral School Committee authorisation for any future occupation;
- undertake to inform the University of any changes of their residence or contact details.

Admitted non-E.U. applicants holding a non-Italian qualification and admitted E.U. applicants holding a non-E.U. qualification must also present their degree certificate along with exams taken and grades, translated and authenticated by an Italian consulate, embassy or diplomatic representative in the country where the degree was issued, and the respective declaration of validity (“Dichiarazione di Valore”), not later than the **10th of November 2009**

Short-listed applicants who do not submit their application within 30 days following the date of publication of the short-list on the website: <http://portale.unitn.it/en/ec/phd/ict.htm> will lose the right to enrol and the corresponding place is consequently offered to the next applicant on the short-list as outlined in art. 7 of the present call.

At the end of the enrolment period, Doctoral students must communicate via e-mail (infoICT@ict.unitn.it) to the School Secretariat the exact date of their arrival. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year must put forward the adequate motivations and justifications in writing, no later than the 6th of November 2009. The latest date of arrival in Trento cannot be later than the 8th of January 2010, otherwise might face exclusion from the School
In case of a lack of communication and failure to arrive in Trento by the above mentioned dates, the doctoral student will be considered excluded from the School.

Art. 9 – STUDY GRANTS

Study grants are assigned to applicants on the basis of the short-list of applicants given in order of merit done by the Admission Committee.

As concerns the study grants related to a specific topic it will be considered, depending on the availability, the order of preference stated in the application form by the candidate.

In the event that a candidate renounces to the study grant it will be offered to the following candidate on the shortlist. In case of grants reserved for specific areas of research the grant will be offered to the next candidate on the ranking with the suitability for the specific area.

The successful candidates of grants reserved for specific areas must accept it.

The gross amount of the scholarship is Euro 13,638.47 per year².

The study grants cannot be combined with other scholarships, except those awarded by national or foreign scientific institutes for periods spent abroad which are deemed useful for the research activities of the doctoral student.

Study grants are normally paid bi-monthly in advance, with recoupment of undue payments in case the student is excluded or suspended, as laid down in the University Regulations for Doctoral Schools, art. 24.

The study grant is increased by 50% for periods spent abroad that have been authorised by the Head of the School or by the Doctoral School Committee.

The study grant is awarded for the entire duration of the Doctoral programme following confirmation by the Doctoral School Committee on the results achieved every year.

Failure to attend the programme for over thirty days will result in suspension of the study grant.

Should a student renounce his/her studies throughout the course of the year then he/she also renounces the corresponding amount awarded with the study grant.

Art. 10 – ACCOMMODATION CONTRIBUTION FOR DOCTORAL STUDENTS

The University of Trento provides doctoral students with a monthly accommodation contribution of 100 Euro.

To qualify for the contribution the recipient shall have a regular rent contract and some prerequisites required by the Regulation of the University (for further information see <http://portale.unitn.it/en/sfs/lcds.htm>).

Art. 11 – CONTRIBUTIONS TO ENROLMENT AND ATTENDANCE

The successful candidates without a study grant, according to art. 9 of this call, are asked for a contribution for enrolment and attendance to the courses for an amount of 5,000 Euros per year.

The ways for paying and the deadline will be published on the webpage <http://portale.unitn.it/en/ec/phd/ict.htm>.

However, will be exempt of this payment all candidates with a study grant provided by the regulations for the right to study (for instance, the grant by the Opera Universitaria or by the Italian Government) or any other grant by the University of Trento, as well as candidates with a disability equal or superior to 66%.

After the first year of study, the exemption will be conditioned by the award of one of the above mentioned study grants at the moment of enrolling.

Art. 12 - DOCTORAL STUDENTS RIGHTS AND DUTIES

Doctoral students must undertake to attend the Doctoral School's courses and to carry out research and study activities on a full time basis according to the schedules and the regulations laid down by the Doctoral School Committee .

The Doctoral School Committee might decide, with an explicit justification, to exclude a student from the School and the consequent forfeit of the study grant in the case of:

² At the date of publication of the present call, Italian law (art. 2, §26 of Law 335/95 and subsequent modifications) states that scholarships are subject to pension fund contributions (INPS), of 17% or 25,72%, of which 1/3 will be charged to the candidate.

- a) unjustified and prolonged absences.
- b) full time contracts as well as subordinate work and any occupation done without authorisation from the Doctoral School Committee;
- c) negative assessment by the Doctoral School Committee concerning admission to the next year of the course; the Doctoral School Committee will verify award of the results for the year as well as the diligence and industriousness demonstrated by the Doctoral student in his/her research;
- d) if a student fails the Qualifying Exam (as detailed in the Executive Regulations available on-line at http://ict.unitn.it/documents/norme_attuative.pdf) the exclusion will take place at the end of the month in which the results of the exam are published.

Italian public sector employees admitted to the Doctoral School may request for the duration of the programme a leave of absence to study without salary and may apply for a study grant. In the case that the employee is admitted to the Doctoral course and declines the grant or is not awarded any grant, he/she may continue to receive salary, social security and pension from the public administration. Should the employee choose to end the work relationship during the two years following conferral of the Doctoral title, he/she is obliged to return all payments received for the duration of the Doctoral course.

Foreign students enrolled in the School are obliged to acquire a level of proficiency in the Italian language to allow them to be integrated in an Italian working environment. The ICT International Doctoral School and the University will support the acquisition of the language through the most appropriate means.

Art. 13 – DOCTORAL TITLE CONFERRAL

The title of Doctor of Research, conferred by the Rector, is granted to students who pass the Final Exam which takes place at the end of the Doctoral cycle.

The Final Exam Committee is nominated by the Rector after consultation with the Doctoral School Committee and according to the University Regulations for Doctoral Schools.

The issue of the certificate stating the award of the title is conditioned to the student's submission of his/her Thesis to the University's Institutional Archive open to the public. There it will be granted his conservation and public availability. The university will be responsible for delivering, as according to the Law, the thesis to the National Libraries of Rome and Florence.

Art. 14 – PERSONAL DATA

The University of Trento, in accordance with Legislative Decree 196/03 ("Code for protection of personal data"), uses the applicants' personal data only for the fulfilment of the selection procedures and for institutional reasons.

In observance of the above-mentioned law, participation in the selection allows the University of Trento to publish on the University's website the applicants' personal data concerning the results of the selection procedure.

Art. 15 – FURTHER REGULATIONS

For matters not explicitly mentioned in the present announcement, please refer to art. 4 of Law no. 210 of 3rd of July 1998, to Ministerial Decree no. 224 of 30th of April 1999 and to the University Regulations for Doctoral Schools issued with the Rector's Decree no. 937 of 16th of December 2003 and amended with the Rector's Decree no. 359 of 19th of April 2006.

Trento, 8th of May 2009

I, the undersigned, apply to be included in the selection for the International Doctoral School in
ELETRONICS AREA – 25th cycle
ICT International Doctoral School

1) Areas of preference:

- Nano- and Micro- Systems
- Embedded Electronics and Computing Systems
- Remote Sensing and Systems for Environmental Monitoring
- Networking

2) Project-specific grants:

For each grant related to a topic, you must number your choices in order of progression, to indicate your preference (number 1= preferred grant ; number 2=second option, etc.) among the various grant. In the case that no preference is indicated, it will be to the Executive Committee discretion to assign it. **The choice of the preferences once indicated will be irrevocable.**

- "Design and implementation of a hardware-software platform for ambient assisted living";
- "Development of a MEMS technology for microwave and millimeter wave filters based on multiple stacked membranes";
- "Development and test of large area arrays of Silicon Photomultipliers";
- "Development of laser photo-acoustic technologies for combustion processes monitoring and optimization";
- "Development of security systems for transportation".

For this purpose I, the undersigned, declare under my responsibility:
